

BrailleSense 6 mini

COMPACT PERFORMANCE

HIMS
Lifestyle Innovation

Would you use it in a plane? Would you use it on a train? You can use it at your House. It's as quiet as a mouse. You can use it over here, you can use it over there. If you get the 6 mini, you can use it anywhere!

Introducing the BrailleSense 6 mini.

You don't need to compromise power and performance for size. With the BrailleSense 6 mini, you can read books, write reports, complete assignments, send emails, share documents, and stay connected. The BrailleSense 6 Mini is built to go with you, **where you need to go.**
